Date 29.11.2021

Dear Sir/Madam,

As you are aware that Scholarship Division, Department of Higher Education, implements Central Sector Scheme of Scholarship for College and University Students. Under the scheme, poor students who have secured more than 80% marks in Higher Secondary Board examination are eligible to apply (scheme guideline is attached).

2. For the current Academic Year 2021-22, National Scholarship Portal has been opened on 18th August 2021 for inviting applications for the Central Sector Scheme of Scholarship for College and University Students (CSSS). The link is <https://scholarships.gov.in>. → Department of Higher Education.

3. As per available records as on date, under the category of Fresh 2021 as well as Renewal 2021, number of applications received are less in comparison to earlier years. Since National Scholarship Portal will be closed, your personal intervention is required to give wider publicity of this scheme in the University and all the affiliated colleges as well as to encourage students of your State/UT to apply for Central Sector Scheme of Scholarship for College and University Students through this portal.

4. Further, please instruct the college/university nodal officer to complete their KYC and demographic authorization, so that they can complete the necessary verification of student of their institute, who have applied /shall apply through this portal. The list of nodal officers is enclosed at Annexure-2.

With regards,

Yours sincerely,
