### Notice to Applicants of CUAP

As per the directions of Hon'ble Vice Chancellor, we are giving one more opportunity to those candidates who were shortlisted in I and II lists for admission counseling and those who could not pay the fee on time and missed admission in CUAP. This opportunity is given because of representations from many aspirants who could not complete the payment process because of incessant rains and floods caused by cyclonic storms in various parts of the country.

**The link will open till 23-11-2021 (Tuesday).**
