Psychological Interventions for Effective Teaching and Learning (Online)

21 - 26 September 2026 (10.00 AM to 5.30 PM)

No Registration Fee

Last Date for Registration: 18 September 2026

CENTRAL UNIVERSITY OF ANDHRA PRADESH

The Central University of Andhra Pradesh, established in 2018 at Ananthapuramu, is a significant initiative of the Government of India to expand quality higher education. Guided by the vision of Viksit Bharat of the Honorable Prime Minister Shri Narendra Modi, CUAP has steadily evolved into a vibrant academic institution offering nine undergraduate, eighteen postgraduate, fifteen diploma programmes and six Ph.D. programmes aligned with National Credit Framework (NCrF) to realize the objectives of NEP 2020. CUAP hosts a Malaviya Mission Teachers Training Centre and strives to position the University as an important hub for enabling the faculty to realize the goals of NEP 2020.

MALAVIYA MISSION TEACHER TRAINING PROGRAMME

The National Education Policy (NEP) 2020 underscores the need for motivated, energized, and capable faculty in higher education. The capacity building for teachers at all levels is a key focus. Malaviya Mission Teacher Training Programme (MMTTP) has been launched to enhance the capacity and training of teachers/faculty. The mission aims to transform higher education by integrating Indian values and ethos into teaching, research, publications, patents, and institutional development.

ABOUT THE PROGRAMME

The programme equips teachers with practical psychological strategies to enhance learner motivation, engagement, emotional well-being, classroom behaviour, and academic outcomes. It focuses on approaches such as growth mindset, self-efficacy, emotional intelligence, stress management, positive reinforcement, and self-regulated learning to foster supportive, inclusive, and learner-centred classrooms. It also enables teachers to understand individual differences and apply effective interventions for diverse learning needs.

OBJECTIVES

- To understand key psychological factors influencing teaching and learning.
- To develop practical strategies for improving student motivation, engagement, behaviour, and well-being.
- To promote inclusive, learner-centred, and psychologically supportive teaching practices

OUTCOMES

- Apply practical psychological strategies to improve student engagement, learning, and classroom behaviour.
- Create supportive, inclusive learning environments that promote confidence, resilience, and emotional well-being.

THEMATIC SESSIONS

- Understanding Learners: Foundations of Educational Psychology and Motivation
- Enhancing Learning: Cognitive Processes and Metacognitive Strategies
- Empowering Learners: Self-Regulation, Behaviour and Constructive Feedback
- Nurturing Well-being: Emotional Intelligence and Psychologically Safe Classrooms
- Transforming Teaching: Communication, Collaboration and Higher-Order Learning
- Building Inclusive and Resilient Learners: Support, Well-being and Lifelong Learning
