- **Major:** A Major is the student's main specialisation. For example, a student who joins the BA (Hons) English programme does an English Major.
- **Minor:** A Minor is a secondary discipline that the student pursues in addition to their Major. It is the student's secondary specialisation. A Minor enables the student to explore other areas of study and build alternative areas of interest. The student can do a Minor in any area designated as a Minor. In other words, the student can choose the prescribed number of courses from any other discipline (Undergraduate Programme) as their Minor. For example, a student majoring in English may minor in Psychology.

Minors available to BA (Hons.) English students and BA English Minor offered to students from other Programmes are also presented in this document.
