Digitally Agile, Knowledge-Rich and Innovation-Driven Education (Online)**

15-24 September 2026 (2.00 PM to 5.15 PM)

No Registration Fee

Last Date for Registration: 12 September 2026

CENTRAL UNIVERSITY OF ANDHRA PRADESH

The Central University of Andhra Pradesh, established in 2018 at Ananthapuramu, is a significant initiative of the Government of India to expand quality higher education. Guided by the vision of Viksit Bharat of the Honorable Prime Minister Shri Narendra Modi, CUAP has steadily evolved into a vibrant academic institution offering nine undergraduate, eighteen postgraduate, fifteen diploma programmes and six Ph.D. programmes aligned with National Credit Framework (NCrF) to realize the objectives of NEP 2020. CUAP hosts a Malaviya Mission Teachers Training Centre and strives to position the University as an important hub for enabling the faculty to realize the goals of NEP 2020.

MALAVIYA MISSION TEACHER TRAINING PROGRAMME

The National Education Policy (NEP) 2020 underscores the need for motivated, energized, and capable faculty in higher education. The capacity building for teachers at all levels is a key focus. Malaviya Mission Teacher Training Programme (MMTTP) has been launched to enhance the capacity and training of teachers/faculty. The mission aims to transform higher education by integrating Indian values and ethos into teaching, research, publications, patents, and institutional development.

ABOUT THE PROGRAMME

Higher education is transforming to meet the changing needs of society, industry, and the global knowledge economy. It now emphasizes multidisciplinary learning, skill development, digital education, research, innovation, and student-centred teaching. Aligned with the National Education Policy 2020, this initiative aims to promote awareness among educators and academic stakeholders on innovative practices and effective strategies for enhancing quality and institutional development in higher education.

Prof. C. Sheela Reddy
Hon'ble Vice Chancellor(Officiating)

Dr. G. Malathi
Coordinator
MMTTC

OBJECTIVES

- To understand the key reforms and practices of NEP 2020 in higher education.
- To promote student-centred learning, digital skills and innovative teaching practices.

OUTCOMES

- Participants will be able to apply NEP 2020 practices in teaching, learning and assessment.
- Participants will be able to use digital and innovative approaches to improve the quality of education

THEMATIC SESSIONS

- Understanding the Vision of NEP 2020
- Outcome-Based Education (OBE) and Academic Reforms
- Digital Transformation in Higher Education
- Artificial Intelligence and Emerging Technologies in Education
- Experiential Learning and Skill-Based Education
